MANUFACTURED ONLY BY CHARLES COCKS & CO. LTD. READING.

Following a partnership between Muse Developments and Artists in the City, the artist Marion Coutts was appointed to work with the Chatham Place Development design teams. Under the broad title 'Mirror Mirror', the artist considered ideas in relation to doubling, reflectivity, and mirroring and looked at ways in which Reading and its history might be referenced within the new scheme. Two columns, digitally wrapped with a wealth of posters, ephemera and printed matter specific to the location, are the first of a number of works the artist will create for the Chatham Place Development.
