VUOTO was a publication of artists' projects for the exhibition ÉVASION. Mirroring the luxury magazine, VUOTO embodied the essence of the show, being both a collection of critical artworks and high-end self-objectification. It considers the fields of Fashion-Art-Media-Entertainment, where opposition nestles in co-dependency.

Lanchester Gallery Projects (LGP) is an ongoing curatorial and educational research project that ran a contemporary art programme from January 2012 to March 2014. Lanchester Gallery Projects, The Hub, Jordan Well, Coventry, CV1 5QT
